

**Declaration of consent within the framework of a new cooperation between
the German Tinnitus and Hearing Foundation Charité and the
European Tinnitus Self Help Groups (EUTINNET)**

The agreed common objective of the new organisation is to promote the exchange about therapy possibilities in the member countries, to organise joint research projects and to create even more awareness for the need to protect one's hearing.

I agree that the following contact details of the tinnitus organisation in my country may be published on the website www.eutinnet.org:
