Declaration of consent

By participating in the EUTINNET study, the participant declares,

- that she/he has read in advance the information material about the aims of the EUTINNET study and its procedure as well as the privacy policy and the security concept.
- that she/he has had sufficient time to consider and freely make her/his decision to participate in the study.
- that she/he is aware that she/he can withdraw her/his consent to participate in the study at any time and without giving reasons by sending an e-mail to info@eutinnet.org without incurring any disadvantages.
- that she/he is aware that personal data will be collected from her/him during the study and written down in protocols or stored electronically.
- that she/he is aware that the data is secured against unauthorized access and that the data will only be evaluated and published in pseudonymous form (i.e. it is not possible to establish a personal reference on the basis of this data alone).
- that she/he participates in the EUTINNET study voluntarily.

If you have any questions about the Europe-wide data collection within the framework of the present study, please contact:
